

## HOW WOULD YOU DESCRIBE YOUR STYLE FRESHMAN YEAR?

So I [went] into [freshman year] just like, 'Oh, I'm just gonna wear the basics.' What a lot of other people were wearing because I wanted to fit in, and I wanted to be popular and cool.

## WHAT DID YOU WEAR TO BE POPULAR AND COOL?

I wore a lot of Lululemon. I had my signature shorts that I always wore. And then Vineyard Vines, just that kind of preppier stuff.

## HOW DID PEOPLE REACT TO YOUR STYLE FRESHMAN YEAR?

No one really reacted to my style that much because it was so similar to everybody else. So it was kind of just like, 'Oh, he wears this. That's cool.' But it wasn't like, 'Oh, wow, he's way different.'

## IS THERE ANYTHING ABOUT THE STYLE THAT YOU MISS NOW?

[I miss] how easy it was to just throw on. You don't have to match anything. You don't have to make sure it looks good. You literally put it on and leave, and it's so comfortable.
